REMARKS

Applicant has now amended this application such that independent claim 1 includes the limitations found in prior claim 5, which the examiner indicated was allowable. The other independent claim, claim 18, now includes the limitations found in prior claim 20. Again, the examiner indicated this claim is allowable. Thus, all independent claims are allowable, and a Notice of Allowance is in order.

Applicant petitions for a one-month extension of time to reply to the final rejection of 26 October 2006. Fees in the amount of \$120.00 may be charged to Deposit Account No. 03-0835 in the name of Carrier Corporation. Further, if any additional fees are necessary, you are hereby authorized to charge the above-referenced deposit account.

Respectfully submitted,
